HAVE THE GYPSIES TOLD YOUR FORTUNE?

A band of gypsies, the genuine article, too, have been plying their trade, that of fortune telling, in Las Vegas for several days. The first two days the members of the band made a thorough canvass of the business section and are now making a house to house canvass of the residence section. They are garbed in gaudy costumes, characteristic of their race, and are attracting considerable attention. There are half a dozen in the party, which is camped near the city.

CONFERRING OF PALLIUM

(Continued from Page 1)

first time in New Mexico the people were given an opportunity to hear the Gregorian chant, of which so much has been said and written of late. The chant was sung by two choirs of priests, one within the sanctuary and another in the choir loft. The singing, in addition to the very solemn ceremonies connected with the pontifical high mass, made the occasion a notable one.

During the mass, Most Reverend Archbishop Pitaval was assisted by the Very Reverend C. Seux, of San Juan, dean of the chapter and by the Reverend J. G. Splinters, P. R., of San Juan. Right Reverend F. Granjon, bishop of Tucson, Arizona, had for assistants the Reverend A. Morin, of Silver City, and the Reverend J. Grange, of Mesilla, N. M.

English Sermon

The English sermon for the occasion followed after the reading of the gospel and was delivered by Right Reverend F. Granjon, D. D., whereupon the Spanish sermon was delivered by Rev. George J. Julliard, S. T. L., of Gallup. At the conclusion of the celebration of mass, the archbishop was solemnly invested with the Pallium by Bishop Matz. The choir then sang the Te Deum, after which the clergy escorted the archbishop back to his residence.

There was no restriction regarding the attendance at the pontifical mass at the cathedral, and as a result the great edifice was packed to overflowing, the streets being also filled with people for a block on either side.

At 1 o'clock this afternoon the clergy gathered at the Loretto Academy and the Sisters of Loretto served dinner. Though the dinner was for the prelates and dignitaries of the church, Governor George Curry and Mayor Jose Sena were present as guests of honor.

This evening the archbishop will hold a public reception.

THAT MOUNTAIN LION
INVADERS WEST SIDE

People residing in the outskirts of the West side were startled this morning by the apparently well founded rumor that the wild mountain lion belonging to Col. "Buffalo" Jones and which gnawed itself out of a large pine box and escaped to the mountains last Saturday night, dragging a heavy chain with it, had been seen in the vicinity of the Masonic cemetery last night. One report had it that the animal was feasting on the fat of the land, it having killed and eaten a dog and had attempted to make a meal of a docile little burro.

Following up the rumor, J. D. Hand and a party of four men, with a pack of hounds, rode out to the vicinity of the spot indicated this morning and have spent almost the entire day in trying to get the hounds on a warm trail, but to no avail.

The lion is probably watching the maneuvers of the party from a tall cedar in the mountains.

Household Remedies

which have stood the test of time deserve a place in the medicine chest of every family. Mothers are today administering to their children the remedies their grandmothers used.

For thirty years, Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been curing the women of this country from the worst form of female ills, and merit alone could have stood such a test of time and won such an enviable record.

A GREAT MANY people brighten their polished floors by wiping them, once or twice a month, with a cloth dipped in milk.

A better way is to use Ivory Soap and lukewarm water. Apply with a soft cloth. Use very little water. Wipe dry with another soft cloth. By following this method you clean your floors as well as brighten them.
